

## SEVEN DAYS VIRTUAL

### Faculty Development Programme

1<sup>st</sup> July 2025 to 07<sup>th</sup> July 2025 (Online Mode)

**Organized by**

**Himalayan Council for Scientific Research**

**in Collaboration with**

**Govt. College Sainj, Kullu**

**Himachal Pradesh**

## **OBJECTIVES**

The proposed Research Methodology Course will train participant by infusing scientific approach and acquainting them with research tools and techniques.

### **The specific objectives of the course are**

- The main goal of the FDP is to empower faculty members and researchers to effectively utilize the method in their teaching, communication, critical thinking, decision making and holistic problem-solving skills. The programme featured interactive sessions covering diverse area. The FDP encouraged active participations to a dynamic learning environment. The FDP is a rewarding experience for all participants with the commitment to excellence in teaching and learning methodologies.
- To enable the participants, to define their research problems, develop an approach to research problems and select suitable research design.
- To sensitize participants on the ethical aspects of social and behavioral research as well as plagiarism software.
- To familiarize the participants on the prerequisites in fieldwork and collection of quantitative/qualitative data and its methods.
- To enable researchers in writing research papers, and scholarly articles.
- To disseminate information on various sources of research funding and provide training on writing grant proposals.

## About The FDP

This course will open vistas of knowledge on the methodological basis of research and strategies to cope with future challenges. The mission of the course is to impart research skills to researchers and enhance the quality of research. This course will contribute to the effective use of emerging technologies and establish a firm foundation for the overall development of high quality research. The training course will predominantly follow the Research Methodology syllabus designed by the ICSSR, New Delhi.

It will be mandatory for all the participants to attend all the sessions of the workshop.

## About the HCSR

The Himalayan Council for Scientific Research is the academic body of the researchers from Himalayan Region and has encouraged and promoted the research and academic activities in the region and has organized many conferences and workshops time to time.

## About The College

Govt. Degree College Sainj is situated in beautiful Sainj Valley in district Kullu of Himachal Pradesh with the objective of establishing higher educational facilities in this valley. The college has the tradition to motivate and organize scholarly gathering and discussion and so many activities to promote academic activities.
