The activity aimed to enhance students' understanding of the state's economic structure, development policies, and key sectors. A total of twelve students participated with great enthusiasm and interest. The quiz provided an engaging platform for students to apply their classroom knowledge and develop analytical thinking about regional economic issues. It proved to be a successful and enriching academic activity that encouraged students to explore economic concepts more deeply. The event also promoted a sense of healthy competition, teamwork, and confidence among the participants. Overall, the quiz contributed significantly to the students' learning experience and their understanding of Himachal Pradesh's economy.</p>    	<p>The quiz provided an engaging platform for students to apply their classroom knowledge and develop analytical thinking about regional economic issues.
