7	<p>Brief Report: On 27th September 2025, the government college's NSS unit held an exceptional guest lecture proved to be a highly meaningful and inspiring event. Through his motivational address, Mr. Darshan Porle, President of Youvah, effectively conveyed the true essence and significance of the National Service Scheme (NSS). He emphasized that NSS is not merely a program but a movement that shapes the personality of young individuals, instilling in them values of discipline, leadership, empathy, and social commitment. The session highlighted how active participation in NSS activities enables students to develop a well-rounded personality by learning to serve others, work in teams, and contribute selflessly to the welfare of society. It also encouraged them to adopt a positive outlook toward life, develop self-confidence, and build a sense of national pride and responsibility. Furthermore, the lecture reinforced the idea that NSS serves as a bridge between education and community service, helping students become agents of social change. It reminded participants that personal growth and societal progress go hand in hand when guided by the spirit of service and compassion. Thirty-five volunteers enthusiastically participated in the program. After the program ended, Dr. Shashi Sharma Program Officer, NSS Unit, Govt. Degree College, Sainj, voted in praise, inspiring and motivating the students.</p>
